

init_can_air_params

```
graph LR; A[init_can_air_params] --> B[canopy_air_coms::psim]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'init_can_air_params'. The right box is white and contains the text 'canopy_air_coms::psim'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
